RE: Proposed Farmer's Market
Elmwood Avenue Parking Lot

Dear Resident:

The Port Credit Business Association Board of Directors has requested the City's support in establishing a Farmers' Market at the captioned location.

The market would be operated on Saturdays from 7:00 a.m. until 12 noon from June until September. There will be no road closure required and access will be maintained in and out of the community. It will be necessary to accommodate for on-street parking during the market's hours of operation. The BIA would need to apply to the Committee of Adjustment for a variance to allow a Farmers' Market to be located on these lands as the 'C4' Mainstreet Commercial zone requires all uses to be contained wholly within a building or structure.

I have arranged a Community Meeting for **Monday October 27th, 2008 at 7:00 p.m., at the Lion's Hall, 20 Rosewood Avenue**, in order to obtain your feedback with respect to this proposal. Members of the BIA will be in attendance to provide an overview.

I hope to see you there.

Regards,
