NEWSLETTER JUNE 2007

22 STOREYS LOOMING OVER OUR VILLAGE

The Planning and Building Department has issued a notice of a public meeting in **Council Chamber for Monday 25 June 2007 at 7.00 PM.**

to discuss a Supplementary Report addressing FRAM/Slokker's proposal to build a 22 storey Condo Tower at the NE corner of Lakeshore and Hurontario, whereas the Zoning By-laws and the Port Credit District Policies of the Official Plan and decisions of the OMB of 1997 & 2000 set a limit of 6 storey.

Complete details see www.topca.net

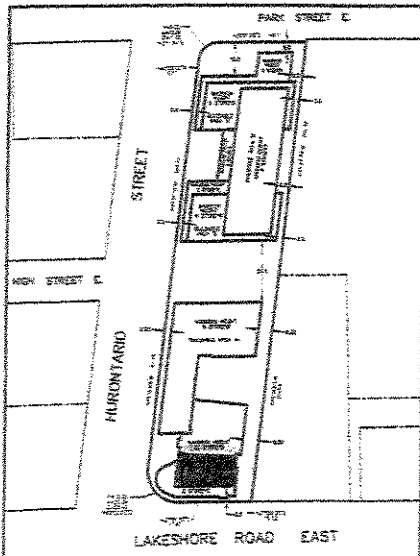

ALSO

The Ontario Municipal Board has issued a notice of a public pre-hearing in the **Municipal Hearing Room, City Hall for Wednesday 27 June 2007 at 10.00AM.**

In the matter of FRAM/Slokker's 22 storey Condo Tower.

Complete details see www.topca.net

There's just one question. As a village community are we in favour of the 6 storey limit or should we permit a 22 storey tower at this NE corner. Come to the meetings, have your say, do it for our lovely "village-on-the-lake".
