Dear Resident:

SUBJECT: Dredging of the Port Credit Harbour (Ward 1)

You are invited to attend a public open house to review the plans to dredge the Port Credit Harbour. The Community Services Department will be carrying out this work in the harbour from December 2013 to March 2014.

In recent years, low water levels in Lake Ontario and sediment accumulation at the mouth of the Credit River have challenged boating operations in the harbour. In order to ensure continued use by recreational boaters and charter operators, the Community Services Department plans to dredge parts of the harbour to a depth of 1.2 m(4 ft.), once all the necessary agency approvals are obtained. Sections of JJ Plaus Park and Marina Park will be closed during the dredging operations.

When: Tuesday, October 29, 2013

Location: Port Credit Arena,
40 Stavebank Road, Mississauga L5G 2T8

Time: 6:30 - 8:30 p.m.

If you have any questions about this project, please contact Michael Gusche, Project Manager at 905-615-3200 ext 5363 or by email at michael.gusche@mississauga.ca or Muneef Ahmad, Water Resources Engineer at 905-615-3200 ext. 4793 or by email at muneef.ahmad@mississauga.ca.

Yours truly,

A handwritten signature in black ink, appearing to read "Stef Szczepanski".
